(From Singapore Papers) THE MARQUIS OF SALISBURY AT

EXETER. London, 3rd Feb - The Prime Minister speaking at a Conservative meeting at -Exeter paid a splendid tribute of respect and admiration to H. H. the late Khelive who, with the mid of Great Britain, had effected the recovery of Egypt from great financial and social suffering which was simust unexampled. His Lordship had every ground for hoping that the present Khedive would carry on the wise traditions of his late father. Lord Saliabury added that Ireland was still a burning question, and appealed to all patriots at the ensuing elections to disregard svery secondary issue and thereby avert a crowning calamity and the disgrace involved by a severance of the Empire.
